

Further details

1. This is intended to be a course of 'Positive Parenting' in order to re-educate parents about their roles as parents according to the sunnah, and their responsibilities to their children in modern Britain. Our child psychologist will provide tips on 'positive parenting' approaches from a professional perspective.

2. This course is open to all, but would be especially beneficial to parents with young children (0-6) and those who are about to embark on parenthood. A nominal charge of £5 per child will be payable for the crèche.

3. A crèche will be provided, however, numbers are limited so please book early. Children between the ages of 2-6 will be eligible to use the crèche. Please make alternative arrangements for older children, and where possible, for younger babies.

4. To book your place, complete your details on the form below, and return it with the appropriate payment.
